Commodore's Picnic on the Point

Next Saturday, July 24 will be the Commodore's Picnic on the Point. This includes a Poker Run around the property. The fun starts at 2 p.m. Cost will be \$5 per person. This pays for the meat and gives you a poker hand as well. Prizes will be awarded.

First prize: a pair of tickets to the Closing Party

Second prize: a gift certificate to the Dairy Queen

Third prize: a Tim Horton's gift certificate.

Here's what **you** need to bring:

- a snack, appetizer, salad or dessert
- your own dishes
- BYOB
- lawn chairs

Whoop, hoo! Come out and join the fun!

Ice

The list for ice is now up. If you took ice before the list was up, please add it. As always, anyone using ice, please indicate on the sheet.

Drinking and Driving

We remind members to be extra cautious when drinking and driving.

- a) the new legislation is down to 0.5
- b) the Club is partly liable if anyone drinking at the club is caught over the legal limit, or has an accident - even if it happens hours later.
- c) as well, since most of our boats are not in the water, it is unclear if they can be considered "a place of residence" where drinking is allowed.

Please be considerate. The club does not want to deal with any liability issues around drinking and driving.

Important Dates

Commodore's Picnic on the Point & Poker Run	July 24
Dinghy Racing	Thursdays
Fish Fry on the Point	Sept. 4

Executive Meeting Highlights

- Site plan almost completed. A few changes to be added, then it will be given to Municipality of Callander for approval for fence.
- Discussed concern about members drinking and driving. (see note)
- Boat Insurance seems to be a problem this year. A few members have to be prodded to provide renewals.
- NBYC Liability insurance up for renewal. Will shop around for prices.
- Due to the low water levels, some members have 2 boats at the club and will have to pay summer storage for the boat not in the water.
- There will be some executive positions opening up this fall. Need members to think about who would be interested in becoming an executive member.

Wayfarer National Champions

Congratulations to Sue Pilling and Stephan Romaniuk for winning the Canadian Wayfarer Championship! The picture and excerpt are from the Wayfarer website:

“North Bay's Sue Pilling and Steph Romaniuk are your new Canadian Wayfarer champions. In an 8-race, two-drop series, the W397 team won the first race over a 12-boat fleet and then held off challenges from half a dozen boats in two days' worth of perfect sailing winds and lovely warm sunshine June 19-20 at the Conestoga SC.”

Way to go Sue and Steph!

Wayfarer Weekend

The 2010 Wayfarer held on July 1 to 4 was again a successful event. Seven boats took part during the Weekend. The Canada Day Race had 6 dinghies and 7 White Sail boats compete. Good to see that many boats on the water! The rest of the weekend had wind that was almost too good for Wayfarers and there were many battered and tired crew (how you doing now Carol?)

The food was once again delish thanks to Lynda O'Shea and her crew. What a long weekend for them! Anyway, thanks to all the volunteers for making this another good Wayfarer weekend.

For information on results and a full report (some of it very funny!) visit www.wayfarer-canada.org/10NBWW/10NBWW_index.html.

Boat Insurance

Your insurance renewal for your boat is extremely important. Just like your car, if the club does not have a copy of your insurance, it is considered not insured. This becomes an issue if there is any trouble with your boat or if something happens at the club.

Please, as soon as you receive a copy of your renewal, either email or mail it to the Harbour Master or have your broker send it.

Thank you.
