NORTH BAY YACHT CLUB P.O. BOX 1171, NORTH BAY, ON P1B 8K4

Official Launch

The Official Launch date will be on June 12.

There will be limited slips available - on Pier #1 and along the sea wall by the parking lot. If you wish to put your boat in (even if it's already in), you **MUST** request a slip by June 12 from the Harbour Master. Call him at 472-7526 or email him at w7stewart@cogeco.ca

Please note:

- There will be NO cranes hired by the club for launch or haul out this year, due to low water level.
- The seniority process normally used after March 31st, will now be used to assign slippage.
- You must inform the Harbour Master by June 12 if you request slippage. If you request slippage after that date, you will not be entitled to bump, regardless of seniority.

Everyone who applied for slippage by March 31, will be getting their points this year, whether you are able to put your boat in or not. The issue of a rebate is under review, but is premature until we are sure of the water levels. We will discuss the issue with members in the fall.

Clubhouse

Very Important Note from Lynda:

Do NOT leave the #@*&# door propped open. We do not like the critters visiting inside the clubhouse (squirrels, snakes, etc.). Bring your key with you and don't prop the door open.

Fish Fry and Picnic on the Point

We will be having the Fish Fry on the Point again this year, since this is where most people will be! It will remain on Saturday, Sept. 4.

We will also hold the Commodore's Picnic on the Point on Saturday, July 24. We're considering a dinghy poker run for those who want some fun on the water!
