New Executive

Congratulations to all the new executive. We look forward to another good year - even better if we can sail!

New executive are:

John Simmonds, Commodore

Michel Mino, Vice Commodore

Shirley Hawes, Treasurer

Lynette King, Clubhouse Manager

Our thanks to Dave Britton, Paul Waque, and Lynda O'Shea, former Executive, for all their hard work. It's a sometimes thank-less job, the hours are long and the pay is crappy, but your time and expertise was greatly appreciated! All the best and good sailing!

Grounds

Fall Cleanup

What a job! There were tons of leaves raked, outdoor furniture moved, pots put away and more leaves raked. Thanks to those who came out to help. If anyone has an easier way to deal with the leaves, let us know! But a good job done for another year.

Fence

The fence on the west side is completed as far as we intended to go this year. There were 16 people out helping, and it was quite a production line! There was a group cutting the fence sections, carrying the sections to the posts, leveling the fence, installing the sections, putting up braces, Whew! And it was all done in three hours! A big thank you to all the volunteers who came out on a chilly, damp Sunday morning.

Reminder:

Lock up your ladders and unplug your extension cords before you leave your boat for the day. This is to reduce our risk of theft and accidental fires.

2011 Fees

The fees for 2011 will remain the same. However, you will be charged HST, so that does mean an increase, although it's thanks to the government, not your executive!

Have you moved?

Just a reminder to anyone who has changed their address or phone number or email to let Dale Britton, Membership, know asap. She needs your most current information to keep the membership records updated and be sure we can contact you in an emergency. Also, so she can send your 2011 invoice!

As well, if you change your email, be sure to send it to Dale or Jill Faulkner, Editor of Soundings, so you can keep getting your monthly updates!

Condolences

We were sorry to hear about the passing of John Cameron on October 29, 2010. John was a member of NBYC.

Our sympathies go out to Shaun and all the family.

“Ring ring Mr. Jones? This is the harbour master calling. I’m afraid I have some bad news ...”

Sailing Fun

Who is staring at the sea is already sailing a little.

Paul Carvel

Twenty years from now you will be more disappointed by the things that you didn't do than by the ones you did do. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover.

Some Sailors never change ...

A few old sailors are walking down the pier.

First one says, “Windy, ain’t it?”

Second says, “No, it’s Thursday!”

Third one says, “So am I. Let’s go get a beer.”
