

North Bay Yacht Club HAUL OUT - 2016

Launch is coming up fast and here are the things you need to know!

LAUNCH is FRIDAY, SEPTEMBER 30TH @ 8:00a.m.

- Please plan to arrive at 7:30am.
- Register and pay lift fees at 7:30AM
- Safety meeting at 8:00 AM
- Crane set up 8:30 AM
- See attachment for launch job assignments. Should your name not appear on the list, please check in with the Yard Captain (Bernie Mosley-Williams) or the Point Captain (Mark Kuzyk) to ask how you may assist.
- If you are unable to attend launch or uncomfortable with the job that has been assigned to you, please contact Michel Mino at michel.mino156@gmail.com

BEFORE LAUNCH

- Please have your boat ready to haul out. Cranes are paid by the hour and delays cost us all more money.
- Cradles will be placed in the parking lot on Tuesday, September 27th by a Harbour Committee work party starting at 6:00pm. Please come out and help if you are available. It is each member's responsibility to ensure that their cradle is ready and level once it is in place in the parking lot.
- Ensure that your trailer is mechanically prepared for haul out
- In preparation for haul out, your boat must have:
 - i) 3/8" - 1/2" single lines on both bow and stern. The line must be at least 30 ft. long, but no longer than 40 ft. with no knots or splices
 - ii) sling points identified on boat
 - iii) lines and fenders must be on port side
 - iv) be sure to advise point and yard captains if your boat requires any special rigging in addition to normal strap

SAFETY

- Hard Hats and vests must be worn within 100 ft. of the cranes. If you have your own, please bring them. The Club also has some available in the club house.
- Wear safety boots and bring a pair of work gloves.
- No Walking under suspended boats, spreaders or suspended slings!

LAUNCH DAY

- Registration (payment and insurance confirmation) starts at 7:30 a.m.
- Safety Meeting is at 8:00 am. Everyone must attend.
- Cranes will be onsite for 8:30 a.m.
- A section of Greenwood Road will be reserved for trailer coming in from offsite. Parking will be available on part of Greenwood Road and on Stephen Place (off of Greenwood Road). No parking in upper or lower lots.
- The cost will be:
 - i) \$100 for trailer boats
 - ii) \$150 for cradle boats with single lift
 - iii) \$200 for cradle boats requiring 2 lifts
- Payment can be made by cash or cheque payable to the North Bay Yacht Club
- Please advise point or ramp lift captains (Before 8:00 AM) if you anticipate having any trouble with your engine. They will arrange to have your boat towed.
- For boats being lifted at the ramp, teams will be assigned to help stage your boat at the end of pier 2. They will be watching out for you before you arrive at the staging point.
- If you have a job assignment, please be sure to let your lift captain know before you leave your post so a replacement can be assigned.
- Please promptly return to your assignment once your boat has been tied up in its slip
- If you have not been assigned a task, please let a lift captain know you are available.
 - It is not uncommon to need help at a moment's notice.
 - Stay outdoors in a safe area outside of the work zone. But near the lift captains where they can easily and quickly reach you when help is needed.

OTHER INFO

- There will be a lunch break and chili will be available in the clubhouse for \$5.00, as well as coffee and non alcoholic beverages
- The bar will be open once all equipment on the point and in the parking lot has been put away.

- Return all Club hard hats and vests back into the container inside the Clubhouse.
