

2010 NBYC Dinghy Race Program

Personal Boat Registration - June Racing Series

There will be club racing held on Tuesday and Thursday nights this June for a total of 16 races. Each night we will have two races (4 races per week). To complete the June series you should race 4 races, but you may wish to race 8 or more. If 8 are chosen, you will discard your two top scores and two worst scores. If you choose 16 races (all races) you will enter as two teams (8 races each team) Tuesday races will be scored for one team and Thursday races will be scored for the other team.
